Therapeutic Foster Care

Virginia Alternative Living Utilizing Exceptional Services (VALUES) serves children and teens (0-18 years of age) who are in state's custody due to abuse or neglect and who have behavioral and/or emotional problems. VALUES foster parents make a difference in a child's life by providing a warm and loving home where physical, emotional, and social needs are met. VALUES needs foster parents who believe, as we do that every child deserves a chance to learn and grow in a loving family.
