

Internship Admissions, Support, and Initial Placement Data – Updated July 2021

Internship Program Admissions

Date Program Tables are updated:

Briefly describe in narrative form important information to assist potential applicants in assessing their likely fit with your program. This description must be consistent with the program's policies on intern selection and practicum and academic preparation requirements:

We currently offer two positions that both have an emphasis on working with Children & Youth. Preference for interviews is given to applicants that have an interest in developing generalist skills needed for working in a community mental health setting and that have an interest in and experience working with underserved populations.

Does the program require that applicants have received a minimum number of hours of the following at time of application? If Yes, indicate how many:

Total Direct Contact Intervention Hours	N	<u>Y</u>	Amount: 400
Total Direct Contact Assessment Hours	N	<u>Y</u>	Amount: 50

Describe any other required minimum criteria used to screen applicants:

Must be able to pass drug screen and criminal background check before start of internship per organizational HR requirements. Any concerns about not being able pass a criminal background check should be directed to the Training Director (Farah Williams, Ph.D., fwilliams@frontierhealth.org or Preston Visser, Ph.D., pvisser@frontierhealth.org) or Human Resources Director (Scott Knowlton, sknowlto@frontierhealth.org) prior to applying.
